Table of Contents Music Theory level 1

Chapter 1.1 Musical notation
Note Reading exercise 1: Natural notes
Note Reading exercise 2a: Smart notes: practice reading smart notes
Note Reading exercise 2b: Smart notes with time limit
Note Reading exercise 3a: Reading G-clef notes
Note Reading exercise 3b: Reading F-clef notes
Note Reading exercise 3c: Reading all notes: practice reading all notes
Note Reading exercise 3d: Reading all notes with time limit
Note Reading exercise 3e: Reading all notes with invisible clef

Chapter 1.2 Notes, rests and accidentals
Note Reading exercise 4a: Accidentals: sharps and flats
Note Reading exercise 4b: Accidentals: sharps and flats additional exercise

Chapter 1.3 Measure and time signature
Ear Training exercise 1e: recognizing rhythm

Chapter 1.4 Dynamic signs and markings

Chapter 1.5 Articulation

Chapter 1.6 Abbreviations and signs

Chapter 1.7 Tempo

Chapter 1.8 Half and whole steps
Harmony exercise 1a: half and whole steps

Chapter 1.9 Intervals
Harmony exercise 1b: names of the intervals

Chapter 1.10 Harmonic and melodic intervals

Chapter 1.11 Second, third, fourth and fifth
Harmony exercise 1c: second, third, fourth and fifth
Harmony exercise 1d: making a second, third, fourth and fifth on the natural notes
Ear Training exercise 1f: second, third, fourth and fifth

Chapter 1.12 Major and minor second
Harmony exercise 1e: major and minor seconds
Harmony exercise 1f: making major and minor seconds on the natural notes
Ear Training exercise 1g: major and minor seconds

Chapter 1.13 The major scale
Ear Training exercise 1h: recognizing the major scale

Chapter 1.14 The C major scale
Ear Training exercise 1i: scales

 Copyright © www.musictheory.education

Chapter 1.15 The G major scale

Chapter 1.16 Recognizing melody

Ear Training exercise 1a: recognizing melody entry-level
Ear Training exercise 1b: recognizing melody

Chapter 1.17 Melodic deviation

Ear Training exercise 1c: melodic deviation entry-level
Ear Training exercise 1d: melodic deviation

Chapter 1.18 Rhythmic dictation

44 rhythmic dictations

Chapter 1.19 Melodic dictation

35 melodic dictations

Table of Contents Music Theory level 2

Chapter 2.1 Musical notation

Chapter 2.2 Notes, rests and accidentals
Ear Training exercise 2e: recognizing rhythm

Chapter 2.3 Measure and time signature

Chapter 2.4 Dynamic signs and markings

Chapter 2.5 Abbreviations and signs

Chapter 2.6 Tempo

Chapter 2.7 Sixth, seventh and octave
Harmony exercise 2a: sixth, seventh and octave
Harmony exercise 2b: making sixth, seventh and octave on the natural notes
Ear Training exercise 2f: sixth, seventh and octave

Chapter 2.8 Making major and minor second on all notes
Harmony exercise 2c: making major and minor seconds on all notes

Chapter 2.9 Chords

Chapter 2.10 Triads
Harmony exercise 2d: Triads: root, third and fifth

Chapter 2.11 Root position and inversion
Harmony exercise 2e: Triads: root, root position and inversion
Harmony exercise 2f: Triads: determining the root
Harmony exercise 2g: Triads: determining the position of a triad

Chapter 2.12 Degrees: triads and scales

Chapter 2.13 Scales: tonic, dominant tone and leading tone

Chapter 2.14 Degrees I, IV and V: tonic, subdominant and dominant

Chapter 2.15 The dominant seventh chord

Chapter 2.16 The primary degrees in C major
Harmony exercise 2h: the primary degrees in C major

Chapter 2.17 The primary degrees in G major
Harmony exercise 2i: the primary degrees in G major

Chapter 2.18 The D major scale
Ear Training exercise 2g: scales

 Copyright © www.musictheory.education

Chapter 2.19 The primary degrees in D major

Harmony exercise 2j: the primary degrees in D major

Chapter 2.20 Recognizing melody

Ear Training exercise 2a: recognizing melody

Chapter 2.21 Melodic deviation

Ear Training exercise 2b: melodic deviation

Chapter 2.22 Scale degrees

Ear Training exercise 2c: scale degrees entry-level
Ear Training exercise 2d: scale degrees

Chapter 2.23 Rhythmic dictation

42 rhythmic dictations

Chapter 2.24 Melodic dictation

24 melodic dictations

Chapter 2.25 Degrees: ear training

Ear Training exercise 2h: chords: recognizing degrees
Ear Training exercise 2i: chords: notating degrees
Ear Training exercise 2j: chords: degrees and melody

Chapter 3.1 Measure and time signature
Ear Training exercise 3d: recognizing rhythm

Chapter 3.2 Dynamic signs and markings

Chapter 3.3 Tempo

Chapter 3.4 Musical forms

Chapter 3.5 Major and minor third
Harmony exercise 3a: major and minor third
Harmony exercise 3b: making major and minor thirds on the natural notes
Harmony exercise 3c: making major and minor thirds on all notes
Ear Training exercise 3l: major and minor thirds
Ear Training exercise 3m: major and minor thirds and seconds

Chapter 3.6 Perfect fifth
Harmony exercise 3d: making perfect fifths on the natural notes
Harmony exercise 3e: making perfect fifths on all notes

Chapter 3.7 Major and minor triads
Harmony exercise 3f: major and minor triads
Harmony exercise 3g: making major and minor triads on the natural notes
Harmony exercise 3h: making major and minor triads on all notes
Ear Training exercise 3n: major and minor triads

Chapter 3.8 The F major scale

Chapter 3.9 The primary degrees in F major
Harmony exercise 3i: the primary degrees in F major

Chapter 3.10 The chromatic scale

Chapter 3.11 The minor scale
Ear Training exercise 3e: major and natural minor scale

Chapter 3.12 The leading tone in the minor scale

Chapter 3.13 The harmonic and melodic minor scale
Ear Training exercise 3f: natural and harmonic minor scale
Ear Training exercise 3g: natural and melodic minor scale
Ear Training exercise 3h: harmonic and melodic minor scale
Ear Training exercise 3i: all minor scales
Ear Training exercise 3j: major and minor scales

 Copyright © www.musictheory.education

Chapter 3.14 The A minor scale

Chapter 3.15 The primary degrees in A minor
Harmony exercise 3j: the primary degrees in A minor

Chapter 3.16 The D minor scale
Ear Training exercise 3k: scales

Chapter 3.17 The primary degrees in D minor
Harmony exercise 3k: the primary degrees in D minor

Chapter 3.18 Chord symbols

Chapter 3.19 Recognizing melody
Ear Training exercise 3a: recognizing melody

Chapter 3.20 Melodic deviation
Ear Training exercise 3b: melodic deviation

Chapter 3.21 Scale degrees
Ear Training exercise 3c: scale degrees

Chapter 3.22 Rhythmic dictation
20 rhythmic dictations

Chapter 3.23 Melodic dictation
20 melodic dictations

Chapter 3.24 Degrees: ear training
Ear Training exercise 3o: chords: recognizing degrees
Ear Training exercise 3p: chords: notating degrees
Ear Training exercise 3q: chords: degrees and melody

Table of Contents Music Theory level 4

Chapter 4.1 Notes, rests and accidentals

Chapter 4.2 Measure and time signature
Ear Training exercise 4d: recognizing rhythm

Chapter 4.3 Dynamic signs and markings

Chapter 4.4 Abbreviations and signs

Chapter 4.5 Tempo

Chapter 4.6 Musical forms

Chapter 4.7 Ornaments

Chapter 4.8 Perfect fourth and octave
Harmony exercise 4a: perfect fourth, fifth and octave
Harmony exercise 4b: making perfect fourths on the natural notes
Harmony exercise 4c: making perfect fourths on all notes
Ear Training exercise 4f: perfect fourth, fifth and octave

Chapter 4.9 Major and minor sixth
Harmony exercise 4d: major and minor sixth
Harmony exercise 4e: making major and minor sixths on the natural notes
Harmony exercise 4f: making major and minor sixths on all notes
Ear Training exercise 4g: major and minor sixth

Chapter 4.10 Major and minor seventh
Harmony exercise 4g: major and minor seventh
Harmony exercise 4h: making major and minor sevenths on the natural notes
Harmony exercise 4i: making major and minor sevenths on all notes
Ear Training exercise 4h: major and minor seventh
Ear Training exercise 4i: major and minor sixths and sevenths

Chapter 4.11 Triads: the first and second inversion
Harmony exercise 4j: Triads: root position, first and second inversion
Harmony exercise 4k: Triads: lowest tone of an inversion
Harmony exercise 4l: Triads: making inversions with given root (natural notes)
Harmony exercise 4m: Triads: making inversions with given root (all notes)
Harmony exercise 4n: Triads: making inversions on the natural notes
Harmony exercise 4o: Triads: making inversions on all notes
Ear Training exercise 4j: major triad: root position or first inversion
Ear Training exercise 4k: major triad: root position or second inversion
Ear Training exercise 4l: major triad: first or second inversion
Ear Training exercise 4m: minor triad: root position or first inversion
Ear Training exercise 4n: minor triad: root position or second inversion
Ear Training exercise 4o: minor triad: first or second inversion

Chapter 5.1 Notes, rests and accidentals

Chapter 5.2 Measure and time signature
Ear Training exercise 5d: recognizing rhythm

Chapter 5.3 Articulatie

Chapter 5.4 Tempo

Chapter 5.5 Musical forms

Chapter 5.6 Ornaments

Chapter 5.7 Inversion of intervals
Harmony exercise 5a: inversions of intervals
Ear Training exercise 5f: second, third, fourth and fifth
Ear Training exercise 5g: second, third, fourth and fifth harmonically

Chapter 5.8 Seventh chords
Harmony exercise 5b: Seventh chords: root, third, fifth and seventh
Harmony exercise 5c: Seventh chords: determining the root

Chapter 5.9 Seventh chords: root position and inversions
Harmony exercise 5d: Seventh chords: root position and inversions
Harmony exercise 5e: Seventh chords: determining the position of a seventh chord
Harmony exercise 5f: Seventh chords: lowest tone of an inversion
Harmony exercise 5g: Seventh chords: making inversions with given root
Harmony exercise 5h: Seventh chords: making inversions on the natural notes

Chapter 5.10 Ear Training: root position and inversions of triads
Ear Training exercise 5h: major and minor triad: root position or first inversion
Ear Training exercise 5i: major and minor triad: root position or second inversion
Ear Training exercise 5j: major and minor triad: first or second inversion
Ear Training exercise 5k: major triad: all positions
Ear Training exercise 5l: minor triad: all positions
Ear Training exercise 5m: major and minor triad: all positions

Chapter 5.11 Chords: secondry degrees: the second degree (II)
Harmony exercise 5m: the second degree

Chapter 5.12 The A major scale

Chapter 5.13 The primary degrees in A major
Harmony exercise 5i: the primary degrees in A major

Chapter 5.14 The E flat major scale

 Copyright © www.musictheory.education

Chapter 6.1 Notes, rests and accidentals
Note Reading exersice 4c: Accidentals: double sharps and double flats
Ear Training exercise 5d: recognizing rhythm

Chapter 6.2 Dynamic signs and markings

Chapter 6.3 Articulatie

Chapter 6.4 Abbreviations and signs

Chapter 6.5 Tempo

Chapter 6.6 Musical forms

Chapter 6.7 Ornaments

Chapter 6.8 Augmented fourth, diminished and augmented fifth
Harmony exercise 6a: perfect, diminished and augmented fourth and fifth
Harmony exercise 6b: making augmented fourth, diminished and augmented fifth on the natural notes
Harmony exercise 6c: making augmented fourth, diminished and augmented fifth on all notes
Ear Training exercise 6f: perfect and augmented fourth and perfect fifth

Chapter 6.9 The five types of intervals
Harmony exercise 6d: making intervals on all notes
Harmony exercise 6e: making intervals under all notes
Ear Training exercise 6g: all intervals up to the octave
Ear Training exercise 6h: all intervals up to the octave harmonically

Chapter 6.10 Ear Training: root position and inversions of triads
Ear Training exercise 6i: major and minor triad: type and position
Ear Training exercise 6j: major and minor triad: type and position harmonically

Chapter 6.11 Diminished and augmented triad
Harmony exercise 6f: diminished and augmented triads
Harmony exercise 6g: making diminished and augmented triads on the natural notes
Harmony exercise 6h: making diminished and augmented triads on all notes
Harmony exercise 6i: making inversions of diminished and augmented triads with given root (natural notes)
Harmony exercise 6j: making inversions of diminished and augmented triads with given root (all notes)
Harmony exercise 6k: making inversions of diminished and augmented triads on the natural notes
Harmony exercise 6l: making inversions of diminished and augmented triads on all notes
Ear Training exercise 6k: diminished and augmented triads
Ear Training exercise 6l: diminished and augmented triads harmonically
